Dear Mr. Schweigert:

This is in response to our telephone conversation earlier today. At the time of my deposition you requested a list of the defendants and plaintiffs for whom I have performed IMEs for the past four years. At that time I said I would provide this for you. In reviewing my records, however, I find that the cases are listed by the name of the individual who was examined, the date, and the individual who requested the examination. There is no reference as to whether the examinee was a defendant or a plaintiff. Consequently, I am unable to respond to your request.

If there are any further questions please feel free to contact me.

Sincerely yours,

Byron A. Eliashof
